Product Features

CRYSTALYX[®] Goat-lyx[®] is an 18% all-natural protein supplement that is specifically fortified for goats. It is formulated to provide the added nutrition for enhancing forage utilization and production measures for growth, lactation, reproduction and health.

Feeding Instructions

CRYSTALYX[®] GOAT-LYX[®] supplement is designed for self-feeding to all classes of goats.

Place containers in areas that achieve desired supplement intake. Once acceptable intake levels have been achieved, the containers may be moved to underutilized pasture areas to improve grazing distribution and forage utilization. Place containers in dry spots near loafing areas and watering locations. Feed at the rate of one container for every 10-20 head. A minimum of two (2) containers may be necessary in each lot or pasture to ensure proper accessibility. Self-fed consumption will depend on size of the animals fed, seasonal weather conditions, as well as quality, source and availability of other feeds. Goats typically consume between 1 and 4 ounces per head per day.

ALL CONSUMPTION FIGURES STATED HERE ARE APPROXIMATE. PROVIDE FREE ACCESS TO CLEAN, FRESH WATER AT ALL TIMES. CRYSTALYX[®] GOAT-LYX[®] SUPPLEMENT CONTAINS NO SALT. PROVIDE SALT FREE CHOICE.

NOTE: CRYSTALYX[®] Brand Supplements deliver a continuous supply of nutrients and are designed as a supplement to the animal's diet. When quantity or quality of other feedstuffs is limited, supplemental nutrients in addition to those provided by CRYSTALYX[®] Brand Supplements may be required. In situations where additional nutrients are needed, contact your feed representative for specific recommendations.

WARNING: This product, which contains added copper, should not be fed to sheep or any species that have a low tolerance to supplemental copper.

CAUTION: Consumption of selenium should not exceed 0.7 mg per head daily.

Nutrition Information

Crude Protein, Min	18.00%
Crude Fat, Min	4.00%
Crude Fiber, Max	3.00%
Acid Detergent Fiber, Max	3.00%
Calcium, Min	1.50%
Calcium, Max	2.00%
Phosphorus, Min	1.00%
Salt, Min	None Added
Magnesium, Min	1.00%
Potassium, Min	2.00%
Cobalt, Min	30 ppm
Copper, Min	300 ppm
Copper, Max	350 ppm
Iodine, Min	60 ppm

Manganese, Min	1,700 ppm
Selenium, Min	6 ppm
Zinc, Min	1,700 ppm
Vitamin A, Min	100,000 IU/lb
Vitamin D-3, Min	25,000 IU/lb
Vitamin E, Min	200 IU/lb

Product Ingredients

Molasses products, processed grain by-products, hydrolyzed feather meal, monocalcium phosphate, dicalcium phosphate, hydrolyzed vegetable oil, calcium carbonate, hydrolyzed yeast, magnesium oxide, plant protein products, ferrous sulfate, manganous oxide, manganese sulfate, manganese proteinate, zinc oxide, zinc sulfate, zinc proteinate, mineral oil, calcium iodate, cobalt sulfate, cobalt proteinate, sodium molybdate, selenium yeast, brewer's dried yeast, copper sulfate, copper proteinate, vitamin A supplement, vitamin D-3 supplement, vitamin E supplement.
