FEEDING DIRECTIONS: Co-op Pinnacle Mineral is designed to be a complete vitamin mineral supplement. It can be used as a top-dress or fed alone to supplement a forage-only diet. Feed at 1 to 4 oz per head per day to horses which have a plentiful supply of good-quality forage. Horses must have free access to clean, fresh water at all times. Feed well balanced rations for optimum results. Utilize the nutrient content information on this product to determine precise feeding rates. Do not feed more than 3 mg of supplemental selenium per head per day. 5.6 oz of this mineral will provide 3 mg of selenium.
