

## SafeChoice® Special Care

**Product Purpose:** SafeChoice® Special Care is a low, controlled starch formula specially designed for horses that are prone to metabolic issues related to starch intake, horses with metabolic concerns, easy keepers, miniatures and ponies.

**Product Features:**

- Balanced-source energy feed formulated without corn or corn by-products which can be fed during all life stages
- Controlled starch design to support healthy digestion and performance levels
- Guaranteed amino-acid levels to support muscle maintenance and development
- Organic trace minerals for improved immune support
- Added prebiotics and probiotics to aid in digestion
- Made with SmartGrain Formulation™ providing the ideal blend of nutrients to help reduce the risk of metabolic concerns and improved digestion, making sure your horse gets the nutrition it needs

**Feeding Directions:**

**LB Feed Per 100lb  
Bodyweight**
