7188

Product Purpose: Triumph[®] Horse Feeds are specially formulated to give your horse the nutrition it requires under a broad range of conditions. Triumph[®] 12% is designed to be fed to mares, breeding, maintenance and performance horses. This feed is designed to be fed with good quality hay or pasture.

Product Features:

- Controlled starch to support healthy digestion
- Delivers exceptional nutrition at an exceptional price
- Added lysine to support muscle development and maintenance
- Guaranteed levels of biotin to support healthy hair coat and hoof quality
- Stay-fresh, poly packaging

Feeding Directions:

**LB Feed per 100 LB
Bodyweight**

Maintenance/Early Gestation	0.25 - 0.5 lbs per 100 lbs.
Light Exercise/Late Gestation/Breeding Stallions	0.5 - 0.75 lbs per 100 lbs.
Medium Exercise/Late Lactation	0.75 - 1.0 lbs per 100 lbs.
Heavy Exercise/Early Lactation	1.0 - 1.5 lbs per 100 lbs.
Yearlings and 2 Year Olds	0.5 - 1.0 lbs per 100 lbs.

Provide adequate pasture or good quality hay at the rate of 1 to 1.75 lbs. of bodyweight per day.

Provide plenty of clean, fresh water at all times, except to hot and/or tired horses.

Salt should be available free choice.

CAUTION: Store feed in a clean, cool and dry location. Storage area should be free of insects and rodents. Do not allow animals access to feedstuffs that show signs of insect or rodent infestation. Do not allow animals access to hot or moldy feedstuffs at any time.

Product Information:

- Product code: 7188
- Weight: 50
- Form: Textured

Product Form Description:

Textured—contains a coarse blend of cleaned grains and molasses for increased palatability and animal acceptance. Many textured products will also contain a pellet that carries the protein, vitamins, and minerals.
