

Empower[®] Boost

Product Purpose: Empower[®] Boost Supplement delivers superior performance and condition for hard-working horses on hay and grain diets. An exceptional blend of fat and select nutrients gives your horses the energy they need to work harder, train longer and perform better. Even when they have trouble maintaining weight.

Product Features:

- An extruded combination of high-fat rice bran and flaxseed for an improved blend of omega-6 and omega-3 fatty acids.
- Highly digestible fat from vegetable sources provides the extra nutrition to help support performance and endurance.
- Added prebiotics and probiotics help support nutrient digestion.
- Trace minerals from organic complex sources to maintain balanced trace mineral levels in the total diet.
- Added vitamin E and selenium for anti-oxidant benefits.
- Balanced Calcium:Phosphorus ratio for proper nutrient utilization.
- Stabilized nugget form for easier feeding and improved shelf life made possible by state-of-the-art extrusion technology.
