ABSORBINE®

The Horse World's Most Trusted Name®

ULTRASHIELD®

NATURAL FLY REPELLENT

GREEN

UltraShield® Green is a natural fly repellent with proven 8-hour performance demonstrated in an independent university study. Can be used on horses, ponies, foals and dogs.

- Eco-Safe for the entire family
- Not oily or greasy
- No artificial colors or additives
- Refreshing aromatic scent

It really works - Guaranteed or your money back!

DIRECTIONS:

No dilution necessary. Shake well before using.

Horses, Ponies, and Dogs: Brush thoroughly to remove excess dust and dirt. Spray directly onto coat prior to riding, showing, or turning out. Do not spray in eyes or mucous membranes. Use a soft cloth to apply to the face and other sensitive areas.

Storage and Disposal: Please Recycle. This product was specially designed to reduce our carbon hoof print. If recycling is not available in your area, place in trash.

Caution: Keep out of reach of children. If your horse has extreme sensitivity or allergies, try a small patch test on the horse's body to make sure there is no reaction or consult your local veterinarian. Avoid contact with eyes. If product gets in eyes, rinse eyes thoroughly with plenty of water. Some animals may be sensitive to the plant oils used in this product. If skin irritation develops wash thoroughly with mild soap and rinse with plenty of water.

Protect from freezing.

This product has not been registered by the United States Environmental Protection Agency. W. F. Young, Inc. represents that this product qualifies for exemption from registration under the Federal Insecticide Fungicide & Rodenticide Act.
