List of Ingredients

Processed Grain By-Products, Grain Products, Roughage Products, Plant Protein Products, Calcium Carbonate, Propionic Acid, Amorphous Silicon Dioxide, Verxite, Hydrated Sodium Calcium Aluminosilicate, Water, Ammonium Hydroxide, Flavor Ingredients, Butylated Hydroxytoluene (a preservative), Mineral Oil, Calcium Silicate and Roughage Products, Urea-Formaldehyde Resin, Calcium Sulfate, Salt, Dicalcium Phosphate, Molasses Products, Sodium Selenite, Selenium Yeast, Manganese Sulfate, Iron Oxide, Zinc Oxide, Copper Sulfate, Vitamin A Acetate, Vitamin D-3 Supplement, Vitamin E Supplement, Magnesium Oxide, Ethylenediamine Dihydriodide, Cobalt Carbonate.

Feed with good quality forage and fresh, clean water.

Feeding rate of 13.3 lb/head/day will provide 200 mg/head/day of Lasalocid.

Intake of Lasalocid in excess of 200 mg per head per day has not been shown to be more effective than 200 mg per head per day.

WARNING: A withdrawal period has not been established for this product in pre-ruminating cattle. Do not use in calves to be processed for veal.

CAUTION: The safety of Lasalocid for use in unapproved species has not been established. Do not allow horses or other equines access to feed containing Lasalocid as ingestion may be fatal.

This product contains added copper. Do not feed to sheep.

Follow label directions.
